## From the Council Chair . . .

### Use the 19<sup>th</sup>

The 19<sup>th</sup>, of course, is the constitutional amendment that guaranteed women the right to vote. AAUW was there, from the very beginning, working to gain this right. In the fall AAUW *Outlook* magazine, Linda Haltman, our Executive Director, reminds us that in many ways it's "been a tough couple of years for women....But we can and should be part of the conversation, and the best way to chime in is to get women to the polls this November."

We can feel very proud that our branch has been actively involved this year in the non-partisan voter turnout and education campaign, *It's My Vote: I Will Be Heard*. Thanks to **Trish Dilligan**, **Nancy Mahr**, **Muriel Blatt** and many others we have been working to register students at Marymount, providing information to our members, and collaborating with our local League of Women Voters to provide voter education forums.

The national magazine is a great way to keep up-to-date about what's going on, but for branch news there's an even better way. When was the last time you checked out our website? Thanks to **Fran Wielin**, working with **Marion Smith** and **Maria Ashla**, we have a brand new website. It will be maintained by the national office, and regularly updated by Fran to provide accurate and current news about the branch. Check it out today, and remember to "bookmark" it. [www.palosverdes-ca.aauw.net](http://www.palosverdes-ca.aauw.net).

And don't forget about the state and national sites, [www.aauw.org](http://www.aauw.org) and [www.aauw-ca.org](http://www.aauw-ca.org). You may be surprised at the wealth of information you'll find on these sites.

Be sure your calendar is marked for November 13<sup>th</sup> for a shortened Leadership Council meeting and a celebration of our 55<sup>th</sup> birthday at Hesse Park. You won't want to miss Readers Theater's special presentation.

*Sherry*

## AAUW CA Positions on 2012 Ballot Propositions

In order to determine positions and potential endorsements, the AAUW CA Public Policy Committee reviewed the ballot measures that have qualified for the November 2012 ballot in the context of our approved Public Policy Priorities. The committee determined that four Initiatives and one Referendum are relevant to AAUW Priorities.

### ***Proposition 30 – Temporary Taxes to Fund Education - Guaranteed Local Public Safety Funding***

AAUW public policy positions support adequate and equitable funding for quality public education as well as safe communities. The passage of Proposition 30 will backfill a portion of the state budget deficit, generate much-needed revenues for schools and provide funds to counties for public safety, through increased income tax on the wealthy and a quarter percent increase in the sales tax, for a period of seven years. AAUW CA recommends a Yes vote on Proposition 30.

### ***Proposition 31 – State Budget Process***

In 2011, AAUW CA studied California's budget problems and prepared a *Position Paper on the California Budget: "Revenues, Reductions, and Reforms"*. Budget reforms are long overdue. However, while Proposition 31 contains positive elements of reform, it also includes troubling policy changes such as giving the governor authority to reduce spending in fiscal emergencies, and places specified state and local budget processes in the state constitution, making these difficult to change in the future. AAUW CA recommends a No vote on Proposition 31.

### ***Proposition 35 – Human Trafficking***

AAUW CA opposes human trafficking and supports bringing offenders to justice. This proposition, however, has major flaws, and is contradictory in some elements. It focuses on sex trafficking rather than human trafficking for purposes of "slavery", although forced labor comprises 90% of human trafficking. It pits victims against each other with greater penalties for sex trafficking than for rape and greater penalties for trafficking adult victims than for minors. When a poorly written initiative alters state law, any future change becomes nearly impossible. Members should study this carefully. For more information, go to: [www.aauw-ca.org](http://www.aauw-ca.org).

### ***Proposition 38 – Tax for Education and Early Childhood Programs***

While AAUW CA favors increased revenues for improving education in the state, this ballot measure raises concerns. It would raise taxes on all but those in the lowest tax bracket, and continue the taxes for a lengthy period of 13 years. Funding would go to a special account, not to the state general fund. It would not be used to help the state meet its Prop 98 guarantee to schools. It also prohibits the Legislature from making any modifications to the measure – it could only be amended by a future ballot measure. AAUW CA takes a Neutral position on Proposition 38.

### **Proposition 40 – Referendum on the Citizens Redistricting Commission Senate District Boundaries**

State Senate districts are revised every ten years following the federal census. This year, the California Citizens Redistricting Commission, approved by voters in 2008, revised the boundaries of the State Senate districts. This referendum petition is confusing in how it is written. A No vote would prevent the revised State Senate boundaries from taking effect and sanction the state Supreme Court to appoint special masters to draw new Senate boundaries. A Yes vote would keep the boundaries as drawn, believing that the Citizens Commission is the fairest, most equitable mechanism for revising district boundaries, and its results should remain in effect. AAUW CA urges a Yes vote on Proposition 40.

As part of our participation in the AAUW project “It’s My Vote! I Will Be Heard!,” the Palos Verdes Branch is collaborating with the Palos Verdes League of Women Voters to present the programs on the November ballot measures and an evening forum for Congressional candidates as outlined on page one of this newsletter. The programs are open to the public and we encourage your attendance in these vital voter education events.

In another election activity, **Trish Dilligan** will be on the Marymount College campus to register eligible students to vote in November.

## AAUW PVP Has a New Website

The new web address for our Palos Verdes branch website is [www.palosverdes-ca.aauw.net](http://www.palosverdes-ca.aauw.net). Our special thanks go to **Marion Smith** who managed our website for many years. The new site, which is facilitated by AAUW in Washington, will be managed by **Fran Wielin**, who will be the webmaster.

Please visit the site, and note the pages for Home, About AAUW, Interest Groups, Newsletter, Calendar, and Join (for prospective members). There are also links to both the State and National websites. If you have information you would like added, please forward it to Fran at [fwielin@cox.net](mailto:fwielin@cox.net).

## Branch Council Meeting Short Notes

The Leadership Council began the new year on September 11 with a full agenda and 25 members in attendance including two new members. Remember, Council meetings are open to all Branch members. Many of the agenda items will be addressed in separate articles appearing in this issue of *CoastLines*.

**AAUW-PVP website** – Be sure to check out the new branch website at [www.palosverdes-ca.aauw.net](http://www.palosverdes-ca.aauw.net) established under the direction of **Fran Wielin** (see page 4).

**Get out and vote** – AAUW is sponsoring numerous programs throughout the USA to encourage women to get out and vote. Our Branch is doing its part in this effort. Membership Co-Chair **Trish Dilligan** will register students on the Marymount, Palos Verdes campus. In conjunction with the League of Women Voters, our Branch will sponsor and participate in three voter forums. (see page 1 and article by **Nancy Mahr** on page 3).

**Membership Directory** – Our new branch member directory contains information about our 123 members, including the 7 newest members (see page 6).

**Tech Time** – It is with great regret that the announcement was made that our 13 year old Tech Time science program for Junior Girls Scout is suspended for at least the 2013 program year. It is hoped that new leadership will come forward in the coming months so this worthwhile program can be reinstated in 2014. If you are interested, please contact either **Trish Dilligan** or **Sherry May**.

**Task Forces Established** – Council chair, **Sherry May** has appointed a task force to study how we have been using available Benefactor scholarship funds and if we have been putting the funds to the best possible use. Members **Maria Ashla**, **Trish Dilligan**, **Nancy Mahr**, **Sherry May** and **Rowie Wolf** hope to have recommendations to present to the Council at its January 8, 2013 meeting. A second 9 member task force has been appointed to study Branch Community Service/Outreach programs. Members include **Shirley Borks**, **Marion Martelli**, **Jacky Mason**, **Margery Norris**, **Mary Palmer**, **Judy Purvis**, **Marion Smith**, **Carol Torelli** and **Carol Wharton**.

**Readers Theater** – Director **Jacky Mason** announced the group plans to present *Athletes in Skirts* in February as a community service project. The group will arrange a display in the PV Library lobby showcase, which will run from February 4<sup>th</sup> to February 18<sup>th</sup> and feature women athletes. Jacky also advised that Readers Theater will donate \$500 to AAUW Educational Funds.

**AAUW/PVP 55<sup>th</sup> Birthday Celebration** – Members should plan on attending the November 13<sup>th</sup> meeting of the Leadership Council when Readers Theater will help celebrate our branch's 55<sup>th</sup> birthday with a special presentation.

## PVP Members Attend LACIC Leadership Day

**Trish Dilligan, Sherry May, Kay Odgers** and **Fran Wielin** attended the August 18<sup>th</sup> LA County Interbranch Council Leadership Day in Manhattan Beach. Our delicious box lunch was supplied by Homegirl Café, which provides restaurant and culinary training for at-risk and formerly gang-involved young women and men. LACIC consists of 15 AAUW branches in LA County. This year the meetings will be held in Whittier, on Sunday afternoons, hoping that more branches can attend.

The special guest was newly elected California AAUW President **Alicia Hetman** from Marysville, CA. Her emphasis for the next 2 years will be: a) Leadership Development, b) Membership Increase, and c) Transparency – Fiduciary and Governance. She encouraged us to always carry an AAUW membership brochure in our purse.

The AAUW Funds Fellows & Grant Recipients Luncheon will be Sunday October 28 at Knott's Berry Farm Hotel. This is a great opportunity to hear some of the women who are doing graduate work at local universities with the help of Fellowships provided by the AAUW Funds that we support.

**Rozanne Child** from Tech Trek said that next year the camps will emphasize more Math and less Marine Biology. Other states are starting Tech Trek programs, but that will not affect the California programs. Many branches are also participating in Speech Trek, and Money Trek, a financial literacy program. Many other branches are developing new websites with AAUW site-resources, which our new website will be using.
